MICROWAVE

Our unique and durable Sistema® Microwave range has steamers that make it easy for you to create nutritious steamed meals, microwave plates for storing and reheating leftovers, soup mugs for a quick and easy meal, rice cooker and more!

Our Sistema® Microwave Steamers make it easy to serve your family healthy food by steaming your vegetables, fish and poultry in the microwave. It couldn't be easier or quicker. Simply add water to the base container, place your food in the steaming colander, clip on the lid with the steam vent left open and zap in the microwave.

The soup mugs, are perfect for soup, noodles and hot drinks on the go. Heat your soup in the microwave with the lid on and steam vent open, then simply remove the lid and enjoy.

Millions of customers in over 100 countries around the world use Sistema® products to help make their life a little easier. From drink bottles to lunch boxes, microwave mugs to kitchen storage containers; everywhere Sistema® products are used people find a purpose that suits their lifestyle.

Sistema® was built on one man's dream in his garage in a small town in New Zealand. That dream has now grown to include a team that spans the world. The vision to manufacture a beautifully designed, well made container in New Zealand and ship it to customers around the world has been realised.

But our dream has not finished as we continue to innovate and design an ever increasing range of products manufactured to suit our customer's ever changing requirements. Check out our range and be assured that every container that leaves our state of the art factory in New Zealand is made using virgin material that is both BPA and Phthalate free.
